

INDOOR RANGE INFORMATION

We've spared no expense for your comfort and safety on our firing range. Our bays are equipped with a number of state-of-the-art features. Each of the 12 lanes has sound dampening technology to reduce the dB levels, a user-friendly touch screen control panel, a target system that rotates 360° for enhanced practice scenarios and programmable target movement. Our shooting lanes are completely rifle capable.

LANE INFORMATION

- 25 yard (75 feet) range length
- Shooting tables with a shelf for firearm, ammo and target storage
- Consistent base lighting to provide illumination of paper targets
- Air ventilation with HEPA filtration; air turn-over every 60 seconds
- Bullet resistant glass viewing area for guests to watch shooting
- Ability to shoot most pistol and rifle rounds
- All Lanes have sound deadening material on the walls behind the firing line to reduce noise and firearm percussion.
- 6 Standard Shooting Lanes with Black Ballistic Dividers
- 6 Premium Shooting Lanes with Clear Ballistic Dividers
- Premium Lanes feature a Mancom target retrieval system that allow you to choose from several different shooting scenarios.

RESERVING A LANE

Members and the general public can reserve a lane by calling the store. Members can reserve a lane 7 days in advance. Non-members must call for same day reservation.

AMMO YOU CAN USE AT OUR RANGE

No armor piercing ammunition is allowed. Ammo is available for purchase at Coyote Creek Gun & Archery. All ammo on the range must meet the following specifications:

- Only lead or lead with copper jacket bullets are allowed at the range.
- Brass only.
- All ammo will need to be checked with a magnet prior to being used.

TRAINING CENTER

Training with Coyote Creek is one of the best decisions you can make toward bettering your shooting skills. Our instructors can train individuals, as well as departments and teams. Our state-of-the-art facilities are also available for group rentals. Check out our full course line-up online or talk with a team member about our all of our classes.

MEMBERSHIP HAS BENEFITS AT COYOTE CREEK!

If you are an avid shooter and archer, we offer combined range packages for a hunter like yourself. Take advantage of our state of the art facilities year-round to improve your shooting skills.

NON-MEMBER PRICING

While membership is the best value, we do offer pricing for those that do not want to become a member of the range at this time. Our members always have priority over non-members when booking reservations. The pricing is the same for both Premium and Standard lanes. Lane rental is based upon availability.

NON-MEMBER PRICING		
30 Minute Lane Rental	Primary Shooter	\$20.00
	Secondary Shooter	\$15.00
90 Minute Lesson	Private Gun Lessons	\$100.00

Coyote Creek Outdoors, LLC. reserves the right to refuse service or cancel membership at any time, without refund.
